**ORDER:**

In the letter read above, the Chief Engineer, Minor Irrigation, Hyderabad, has submitted estimate for the work “Repairs to Gatchubandam, Nerada Village, Chintakani Mandal, Khammam District”, to accord administrative approval for Rs.28.15 lakhs under Normal State Plan stating that the above tank is having an ayacut of 60 acres. This tank is having one Sluice. The bund is covered fully with juliflora bushes and the top levels of bund are far below the TBL and slopes are eroded badly. The bandam body wall is leaking heavily. There is no apron for protecting the body wall and foundation is under mining. The RF channel guide wall is badly damaged and entire water is leaking in to stream. Due to shortage of water by above reasons, tail end ayacut is not being irrigated. As per the site conditions, the channel banks are breached, rat holes are formed, thus the channel is not to section. Due to this, water is entering the fields and causing loss to crops. Hence, farmers are requesting for permanent CC guide walls. The Chief Engineer, Minor Irrigation, has proposed to construct guide walls at vulnerable reaches only. Further, he has stated that an amount of Rs.10,868/- is required for the component of jungle clearance and it is proposed to be taken up under MGNREGP. Hence, he has requested to accord administrative approval in the matter.

2. Government, after careful examination of the matter, hereby accord administrative approval for Rs.28.15 Lakhs (Rupees twenty eight lakhs and fifteen thousand only) for the work “Repairs to Gatchubandam, Nerada Village, Chintakani Mandal, Khammam District”.

3. Out of the amount sanctioned in para 2 above, an amount of Rs.28.04132 Lakhs shall be debitible under Head of Account “4702 MH 101 – Surface water – GH 11 Normal State Plan – SH (21) Restoration of MI Tanks – 530 Major Works / 531 Other Expenditure”.

4. The Rural Development Department have agreed to include an amount of Rs.10,868/- for the component of jungle clearance under Shelf of Projects to take it up under MGNREGP. Hence, the remaining amount of Rs.10,868/- shall be taken up under MGNREGP funds.

5. The Chief Engineer, Minor Irrigation, Hyderabad, shall take further action accordingly.

6. This orders issues with the concurrence of Finance (Expr.PW) Department vide their U.O.No.17436 / 612 / A1 / Expr.PW / 12, dated 18.7.2012, and PR & RD (RD) Department vide their U.O.No.17978 / RD.II / A1 / 2012, dated 30.7.2012.
